Home: Azim killa Purana Domal, Bannu (Pakistan)

Work: Parkview city, Islamabad (Pakistan)

ABOUT ME

Software Engineer with 3+ years of experience in React.js, Next.js, and Node.js, specializing in building scalable and high-performance web applications. Passionate about clean code, reusable UI components, and delivering excellent user experiences.

WORK EXPERIENCE

Nartec solutions – Musaffah , United Arab Emirates

MERN stack developer

[09/06/2023 – Current]

- Developed and maintained scalable web applications using **React, Next.js, Node.js, Express.js, and MongoDB**
- Built dynamic and responsive user interfaces with **React**, focusing on performance and usability
- Designed and integrated **RESTful APIs** for seamless communication between front-end and back-end systems
- Implemented **modular and component-based architecture** to improve code reusability and maintainability
- Used **Git for version control** and participated in code reviews to maintain code quality

Codecue Solutions – Haripur, Pakistan

Front end developer

[23/02/2021 – 25/02/2023]

- Developed responsive web interfaces using **React.js, HTML5, CSS3, and JavaScript**
- Converted UI/UX designs into pixel-perfect, functional web applications
- Improved website performance and reduced load times through optimization techniques
- Worked in an **Agile environment**, collaborating with teams to deliver projects on time
- Maintained clean, reusable, and well-documented code

EDUCATION AND TRAINING

BS(Software engineering)

The university of Haripur [19/08/2019 – 25/07/2023]

City: Haripur | Country: Pakistan | Website: <https://www.uoh.edu.pk/#gsc.tab=0>

(Higher secondary)

Bradford science collage chokara karak [04/07/2017 – 26/07/2019]

City: Karak | Country: Pakistan

secondary school

Bradford science collage chokara karak [22/06/2015 – 22/06/2017]

Country: Pakistan

LANGUAGE SKILLS

Mother tongue(s): Urdu

Other language(s):

English

LISTENING B2 READING B2 WRITING B2

SPOKEN PRODUCTION B2 SPOKEN INTERACTION B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

TECHNICAL SKILLS

Web Technologies Fundamentals - HTML, CSS / WEB DESIGN: HTML, SCSS, CSS, JAVASCRIPT, JQUERY, BOOTSTRAP, MATERIAL UI / tailwind css / JavaScript / React / React Native / React hooks / React, Next.js, React Native / Bootstrap, Angular 2+, React / Node.js, React.js / react-router-V6 / WordPress / python

Other

Git / Microsoft Office / Google Drive / Microsoft Word / Microsoft Powerpoint / Social Media / Zoom / GitHub

PROJECTS

[2023 – 2025]

Global Standards 1 (Gs1) Developed and launched the official GS1 Saudi Arabia website, a platform for international barcode sales. Built the front-end with React.js and the back-end using Node.js, Prisma ORM, and MySQL. Created comprehensive API documentation and integrated multi-language support, user authentication, real-time updates, and secure payment gateways. Developed custom barcode generation modules aligned with GS1 standards. Collaborated with stakeholders to ensure the platform met global requirements.

Link: <https://www.gs1.org.sa>

[2024 – 2025]

Fats Developed a comprehensive POS and Inventory Management System using React.js for the front-end and Node.js with Prisma ORM and MySQL for the back-end. Implemented multi-location inventory tracking, robust APIs with documentation, and real-time analytics dashboards. Integrated role-based access control and conducted extensive testing to ensure scalability, security, and high-load performance.

[2023 – 2025]

GTrack Online - Live Tracking System Developed and launched the official GS1 Saudi Arabia e-commerce platform, a high-traffic website for international barcode sales. Engineered the full-stack application using **React.js** and **Node.js** with **Prisma ORM** and **MySQL**. Implemented critical features including secure payment gateways, user authentication, multi-language support, and custom modules for barcode generation that adhere to international standards. The project also involved creating comprehensive API documentation and collaborating with stakeholders to ensure alignment with global GS1 requirements.
